

# We are looking for you!

For the Building Information Management GLW GmbH we are looking for you as a construction draftsman or draftsman!

We offer consulting and services for digitization in the construction industry since 2020. We consider the BIM-Method on company and project level to establish a consistent data and information management for our clients. Furthermore we focus on the development of business areas in the context of digitization and support our clients with customized change management. Our business model consists of four business areas, BIM- consulting, BIM-management, BIM-coordination, BIM-5D and BIM-factory planning.

**We are looking for you as a construction drafts(wo)man on a part-time or full-time basis.**

## Setting

- > work in a young and interdisciplinary team
- > flexible working hours and locations as well as up to 100% homeoffice
- > IT-equipment
- > different projects with diverse job assignments and exciting activities

## Tasks

- > creation and revision of BIM-models as well as construction drawings
- > creation of working and detailed drawings to scale on the basis of sketch, graphically submittals and drafts in compliance with building regulations, DIN- and technical standards
- > drawings and plans with references for building construction
- > support in BIM-coordination as well as BIM-based quantity determination

## Requirements

- > successfully completed qualification as a construction drafts(wo)man or related qualifications
- > hands-on experiences in planning, well technical understanding
- > CAD-technical knowledge in REVIT and/or AutoCAD Architecture
- > knowledge in Office365
- > basic knowledge in english
- > structured and self-employed way of working
- > joy at the development and realization of ideas
- > ability to work in a team at collaborations, strong communication skills
- > flexibility and preparedness

**We look forward to you!**
