

We are looking for you!

For the Building Information Management GLW GmbH we are looking for you as a BIM-coordinator!

We offer consulting and services for digitization in the construction industry since 2020. We consider the BIM-Method on company and project level to establish a consistent data and information management for our clients. Furthermore we focus on the development of business areas in the context of digitization and support our clients with customized change management. Our business model consists of four business areas, BIM- consulting, BIM-management, BIM-coordination, BIM-5D and BIM-factory planning.

We are looking for you as a BIM-coordinator on a part-time or full-time basis.

Setting

- > work in a young and interdisciplinary team
- > flexible working hours and locations as well as up to 100% homeoffice
- > different projects with diverse job assignments and exciting activities

Tasks

- > construction of BIM-use cases considering the contributions of other stakeholders
- > consolidation of different BIM-models
- > application of collisional- und quality checks

Requirements

- > experiences as BIM-modeler preferable
- > experiences as BIM-coordinator (0-3 years)
- > competent skills in training of employees
- > self-governing way of working
- > capacity for teamwork

We look forward to you!
