

We are looking for you!

For the Building Information Management GLW GmbH we are looking for you as a BIM-manager!

We offer consulting and services for digitization in the construction industry since 2020. We consider the BIM-Method on company and project level to establish a consistent data and information management for our clients. Furthermore we focus on the development of business areas in the context of digitization and support our clients with customized change management. Our business model consists of four business areas, BIM- consulting, BIM-management, BIM-coordination, BIM-5D and BIM-factory planning.

We are looking for you as a BIM-manager on a part-time or full-time basis.

Setting

- > work in a young and interdisciplinary team
- > flexible working hours and locations as well as up to 100% homeoffice
- > different projects with diverse job assignments and exciting activities

Tasks

- > Project leadership as a BIM-Manager on project level
- > generation of BIM-relevant documents such as client information requirements
- > collaborative development of digitization strategies for different clients in a project team
- > co-creation of the development of internal company standards and processes

Requirements

- > experiences as BIM-manager (0-3 years)
- > experiences in leadership of projects and employees
- > competent skills in training of teammembers
- > self-governing way of working
- > capacity for teamwork

We look forward to you!
