

We are looking for you!

For the Building Information Management GLW GmbH we are looking for you as a BIM-modeler!

We offer consulting and services for digitization in the construction industry since 2020. We consider the BIM-Method on company and project level to establish a consistent data and information management for our clients. Furthermore we focus on the development of business areas in the context of digitization and support our clients with customized change management. Our business model consists of four business areas, BIM- consulting, BIM-management, BIM-coordination, BIM-5D and BIM-factory planning.

We are looking for you as a BIM-modeler on a part-time or full-time basis.

Setting

- > work in a young and interdisciplinary team
- > flexible working hours and locations as well as up to 100% homeoffice
- > different projects with diverse job assignments and exciting activities

Tasks

- > generation of BIM-models according to specific project requirements
- > development of component-library
- > involvement of preparation of BIM-use cases

Requirements

- > experiences as BIM-modeler (0-3 years)
- > development of BIM-models adapted to specific project requirements
- > self-governing way of working
- > capacity for teamwork

We look forward to you!
